

VAULT AIS OBITUARY EXERCISE

SECURED BY THE AIS TRIANGLE

I invite you to write out your obituary.

Write out what YOU WANT people to be saying about you when your time on this earth comes to an end.

What type of man or woman do you want to be known as?

- To yourself.
- To your family.
- To your friends.
- To your community.

Yes, this will be uncomfortable.

And it's supposed to be...

Because it's doing things like this that wake you up to how you are spending your #1 Asset and it creates massive clarity on where you are and where you want to go!
